WHY CHOOSE
GLOW HOMES?

Used Glow Homes to sell our old house. Very efficient, professional service from start to finish. If your looking for top quality service with a personal touch then the ladies at Glow Homes are for you. We sold within days and were complimented on the friendly viewings available for prospective purchasers. Forgot the big chain organisations where you are just a number and go with a team who you really matter to. I love the community outreach and support that this team also do. Keep up the great work ladies.
